Agenda/Topics to Be Covered

• Introductions
• What is an International Credentials Evaluation Report?
• Why (or why not) are these reports requested by institutions?
• What information should these reports include?
• How do you find evaluation services/external agencies?
• Misconceptions / Perspectives
• Samples
• Discussion/Questions
What is it?

- International Credential Evaluation report
- Foreign Credential Evaluation report
- Equivalency report
- Evaluation report
- Any other names?
Why are these reports requested?

• Because of the country where the credentials are from?

• Because of the type of education the school follows (i.e. British, French, national curriculum, etc.)?

• Because your institution does not have the qualified staff to evaluate these academic credentials?

• Because of accreditation or authenticity of documents....
What information is required?

- General/Document-by-Document evaluation report
- Comprehensive/Course-by-Course evaluation report
- Grade Point Average (GPA)
- Verifications
- Translations
- Other
How to find these external agencies?

• NACES members only – [www.naces.org](http://www.naces.org)

• Other evaluation services: AICE - [Home | AICE - Association of International Credential Evaluators. Inc. (aice-eval.org)](http://aice-eval.org)

• ATA – American Translators Association – [www.atanet.org](http://www.atanet.org)
Misconceptions

• All evaluation services are the same?
• All reports will be equal?
• All grades in the reports will be equal?
• All outcomes/results will be the same?
• Evaluation vs translation
• Who pays for this service?
Perspectives

3-year degrees

Bologna Process
Samples

• Evaluations from different services
• Review format
• Review information provided
• Find what you are looking for (i.e. entrance requirement, equivalency, gpa, etc.)
• Are academic documents attached?
• Are documents verified? Is the evaluation completed based on official documents/original documents/electronic copies?
