

FILC 2024

Ramadan Accommodations

Sharing here some accommodations FILC 2024 will offer attendees who are observing Ramadan during the conference.

1) **Continental Breakfast** - A simple meal will be available each morning for attendees observing Ramadan. They can retrieve their breakfast items from the refrigerator at any time of their choosing.

2) **Late Dinner** - Meals will be set aside in the refrigerator for attendees who are observing Ramadan.

3) **Refrigerator Space** - There will be space reserved in the refrigerator for students observing Ramadan. They are welcome to bring their own food from home and store it here.

(Note: this accommodation is available to all attendees with dietary restrictions. However, students with allergies should note that there is no guarantee the fridge will be free of their allergen.)

4) **Prayer Room** - There will be a designated room at the campground for students who prefer a more private setting.

If you or a student would like to make use of accommodation 1, 2, and/or 3, please email florida.filc@gmail.com with the name of the attendee and which accommodation(s) they anticipate utilizing while at FILC. This will help us be prepared.

If you have any questions, please reach out to the FILC 2024 team at florida.filc@gmail.com.
